

Midterm Exams

An Overview for Students and Families
 January 22nd, 23rd, and 24th

The Basics:

- Students in grades 7–12 will have exams in all of their core courses [Humanities (English and History), math, science, and Spanish.]
- Exam blocks are each 2 hours long.
- *These exams cover content and skills from all of Semester 1.*
- Because we have no school on Monday, January 20 (MLK Day holiday), we will have a special schedule in which all classes, Learning Lab, and advisory meet on Tuesday, January 21. This will be the final day of exam review, so it is a very important day for students to attend school.
- Lunch will be served as usual on Wednesday and Thursday of midterm week. On Friday, students may eat at CCSC or may take lunches to go.
- Busses home will arrive at CCSC at 1:30PM on Wednesday, 11:30 AM on Thursday, and 11:00AM on Friday.
- If students are absent for any exams, they must complete make-ups on Friday between 11:30-3:30. Any final exam *not* completed by Friday at 3:30 will receive a grade of zero, as that is when grades officially close for Semester 1.

Materials Needed on Exam Days:

- Students must bring all needed materials including a pen or pencil, paper and a calculator (if needed) as well as any additional materials their teacher told them were required for the exam.
- If there is an issue with having the necessary materials for an exam, students must see their teacher or advisor to resolve this issue *before* the day of the exam.
