

AP US History Teacher (Part-Time)

Community Charter School of Cambridge (CCSC) is a public charter school that serves students in grades 6-12. Focusing on post-secondary success for *all* students, CCSC combines high academic and behavioral standards with an environment of unconditional affection, acceptance, and belonging in which all students can thrive. CCSC seeks dedicated, outstanding, and innovative faculty and staff interested in joining our exceptionally diverse and talented team (47% faculty of color, 57% administrators of color for the 2018-2019 school year). Educators will build upon our rigorous academic program and strong school culture. The school's commitment to diversity and social justice is reflected in our daily practices, policies, and systems. Professional development is team-based and includes an extensive focus on race and equity. CCSC has been honored during its first thirteen years and recently received the Department of Elementary and Secondary Education's highest ranking among middle/high schools in the greater Boston area. CCSC has received an official state commendation and was runner-up for the prestigious Pozen Prize for Charter Schools.

This specific position entails the teaching of 2 sections of a 1-hour AP US history class on Monday afternoons from approximately 1:20PM to 3:40PM. For context, all 11th grade students at CCSC take US History II (1865 to present). Some of these students are preparing to take the AP US History exam, and these students meet for an additional class period each week to prepare for the AP exam. The purpose of this class is to review historical content that will appear on the AP exam, and to give students regular opportunities to practice answering AP-style questions and taking AP-style tests. The person responsible for teaching this class would teach two 1 hour sections of this class, spend approximately 1 hour per week planning for this class, and spend an average of 1 hour per week grading and providing feedback for this class.

Qualifications:

- BA or BS required
- Deep knowledge of historical content on the AP US History exam
- Teaching experience in a similar setting required
