

MCPSA Directory Listing Opt-Out (optional)

The school will provide parent directory information to the Massachusetts Charter Public School Association so that they can keep parents up to date about state issues that could have an impact on charter schools. If you wish to opt out, meaning that the school will not share your directory information with the MCPSA, you must sign below (or write a note to the school) by October 2, 2017.

I wish to opt out of the MCPSA parent directory.
