

Admissions and Outreach Coordinator

Community Charter School of Cambridge (CCSC) is a public charter school that serves students in grades 6-12. Focusing on post-secondary success for all students, CCSC combines high academic and behavioral standards with a supportive environment in which all students are known exceptionally well. CCSC seeks dedicated, outstanding, and innovative faculty and staff interested in joining our diverse and talented team. Staff will build upon our rigorous academic program, commitment to diversity, and strong school culture. CCSC has been honored during its first twelve years and is currently the highest ranked middle/high school in the greater Boston area. Last year, CCSC received an official state commendation and was runner-up for the prestigious Pozen Prize for Charter Schools. Outstanding academic results for all students *and* all subgroups over the past few years were qualifications for both.
